

## ADVANCED MADE SIMPLE FOR YOU

# EFFICIENCY. NOW AS SIMPLE AS BLACK AND WHITE.

Building on decades of Canon print technology, the **imageRUNNER ADVANCE 6200 series** produces high quality black and white prints at the speed of your business. And as a multifunctional device, it also offers enhanced full color scan, copy, fax, and send functions that are as fast as they are intuitive. With the imageRUNNER ADVANCE 6200 series, you can even utilize productivity-boosting Cloud functionalities without stepping away from the device.

So if you're looking for a mono multifunctional device that offers quality, convenience and efficiency, the choice is simple. The imageRUNNER ADVANCE 6200 series.

The **imageRUNNER ADVANCE 6200 series** brings you a world of advancement:

**ADVANCED**  
Workflow  
to suit your needs.

**ADVANCED**  
Productivity  
you can measure.

**ADVANCED**  
Security  
to protect your critical documents.

**ADVANCED**  
Environment Responsibility  
for our future.

**ADVANCED**  
Scalability  
that grows with you.

**ADVANCED**  
Solutions  
you can rely on.

**ADVANCED**  
Management  
that puts you in control.

**ADVANCED**  
Usability and Convenience  
that is centered on you.

**ADVANCED**  
Print Quality  
that makes you look good.

Find out how we have made Advanced technologies work simpler for you.

# ADVANCED USABILITY AND CONVENIENCE

Meet the multifunctional device that is optimized for convenience and speed — your way.

## PLUG AND PRINT CAPABILITY

The imageRUNNER ADVANCE 6200 series comes with a USB port that lets you scan to or print\* files directly from your USB drive or memory card at the device.

*\* Optional accessories are required for print.*

## INNOVATIVE TONER SYSTEM

The imageRUNNER ADVANCE 6200 series is designed to keep your business going. Our innovative toner system allows you to change out toners even during printing. The inbuilt paper sensor is also intelligent enough to detect paper sizes accurately, reducing paper jams and misfeeds.

## CONFIGURABLE QUICK MENU

Complex, frequently used settings can be easily configured to run at the touch of a button. This streamlines every individual's workflow and increases productivity by letting you accomplish more in less time.

8.4"  
TFT SCREEN

10.4"  
TFT SCREEN

OPTIONAL

## INTUITIVE USER INTERFACE

A full-color 8.4" high resolution TFT touchscreen gives you wide viewing angles and exceptional clarity. On the Main Menu, you get instant access to essential system functions. It is even fully configurable to suit individual and workgroup preferences. You can also streamline complex tasks and workflows to run at the touch of a single button with Quick Menu.

# ADVANCED

# PRINT QUALITY

Quality prints that truly shine.

Without Adobe PostScript 3

With Adobe PostScript 3

## HIGH RESOLUTION BRILLIANT PRINTOUTS

Combine the E-Drum imagePRESS technology with a 1200x1200 dpi printing resolution, you get highly defined printouts, image consistency and high speed printing. Matched with the pO Toner and an intelligent controller, the imageRUNNER ADVANCE 6200 series truly brings you the crispest printouts.

## FIERY PRINT CONTROLLERS

For an exceptionally high level of productivity and advanced management workflow control, get the powerful imagePASS-A2 Fiery print controller option that is Variable Data Printing (VDP) ready and supports a variety of VDP languages.

## GENUINE ADOBE POSTSCRIPT 3

The imageRUNNER ADVANCE 6200 series supports Genuine Adobe PostScript 3 printing capability. This enables you to deliver the desired printout quality without worries of font incompatibility. Work seamlessly with Postscript workflow and achieve faster, higher quality printouts – not just emulations. Direct PDF printing and full support of Adobe fonts also translates to improved office productivity.

## ADVANCED imageCHIP SYSTEM ARCHITECTURE

Canon's dual processor system meets the rigorous demands of today's businesses. The image processor board works with the scanner, adjusts images and provides superior image processing. In tandem, the information processor controls the user interface and coordinates device networking and connectivity. Together, they give you better results with lesser wait.

# ADVANCED PRODUCTIVITY

## PROFESSIONAL LOOKING DOCUMENTS

Create impressive, professional-grade documents with Canon's optional accessories. From automatic stapling and punching to collation and booklet creation, there is a multitude of ways to enhance the capabilities of your imageRUNNER ADVANCE device. And if space is a constraint, internal stapling and collating units are also available.

## 4-LINE FAX

Upgrade to the Super G3 fax option for reliable, high-speed fax transmission. Coupled with the 4-line fax feature, you can be sure of lesser busy signals and greater connectivity with your business associates. You can even save cost and space by consolidating multiple fax devices on your network into one imageRUNNER ADVANCE device.

The imageRUNNER ADVANCE device is designed to grow with your business. Simply add modular units to extend its capabilities even further.

## HIGH SPEED SCANNING

Simply press the start button, and Canon's revolutionary Duplex Color Image Reader creates up to 300 crystal clear digital reproductions for you in a single minute, in either black and white or color.

## PAPER DECK UNIT UPGRADE

High volume print operations will benefit from the added capacity of extra Paper Deck Units. Each Paper Deck Unit can house 3,500 sheets of A4 or A3 paper to give you uninterrupted production of business critical documents.

## REMOTE FAX COLLABORATION

The optional Remote Fax Kit allows you to fax through other fax-capable imageRUNNER ADVANCE devices in your network, even if the device you are using does not have a fax-board installed. That way, you can enjoy both cost savings and convenience.

Remote Fax Kit installed device

Fax-enabled device

# ADVANCED WORKFLOW

Optimized workflow translates to operational efficiency. The imageRUNNER ADVANCE 6200 series is simply efficient.

## SCAN AND SEND

The Scan and Send function makes it easy to scan and distribute to multiple destinations, including email, fax, and network folders. The wide range of supported format includes standard High Compression PDF, Adobe PDF Reader Extensions, Searchable PDF, Encrypted PDF, XPS and even the latest Office Open XML for PowerPoint.

\* Installation of optional accessories may be required.

## STORE AND ACCESS WITH EASE

The imageRUNNER ADVANCE comes with a document sharing solution simply makes sense. Using the Advanced Box, multiple users can share any file format on a share folder and access files from PCs or other networked imageRUNNER ADVANCE systems. For more sensitive documents, you can use Personal Folders. The Mailbox feature also lets you access the stored documents from the device or remote user interface, with up to 100 user accounts.

## MOBILE PRINTING AND SCANNING

For users on the go, the versatile imageRUNNER ADVANCE 6200 provides simple mobile print functionality with features to help mobile device users print jobs from their devices. It supports a wide variety of formats including image, photo, PDF files and web pages.

Mobile users can also use the Canon Mobile Scanning for Business to scan and save data on their mobile devices, upload it to cloud storage services and send it as e-mail attachments to themselves.

\* Canon Mobile Printing and Canon Mobile Scanning apps may be downloaded on Apple or Android devices.

# ADVANCED SOLUTIONS

To achieve even more with the imageRUNNER ADVANCE system, select the document solution that best meets your organizational needs.

## uniFLOW

uniFLOW is designed to save you time and money by providing effective controls over your entire print and multi-functional device fleet. The uniFLOW solution can be built from several different components depending on your needs.

## eCOPY PDF PRO OFFICE

eCopy® PDF Pro Office, the latest enterprise-ready PDF solution from Nuance, is the smarter PDF desktop software companion to Canon MFDs. This powerful, easy-to-use PDF solution lets you create, convert, and collaborate for increased productivity and cost savings.

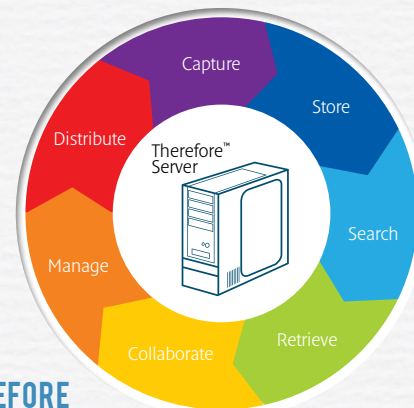

## eCOPY SHARESCAN SUITE

eCopy® ShareScan Suite transforms paper-based data safely and directly into electronic workflows. From the imageRUNNER ADVANCE device, you can scan, extract, classify, index and convert paper information into digital information that flows effortlessly into and through the electronic channels of your business.

## iW SECURE AUDIT MANAGER EXPRESS

This software enables document distribution oversight and safeguards against potential information espionage or abuse by logging text and image data whenever users utilize the device.

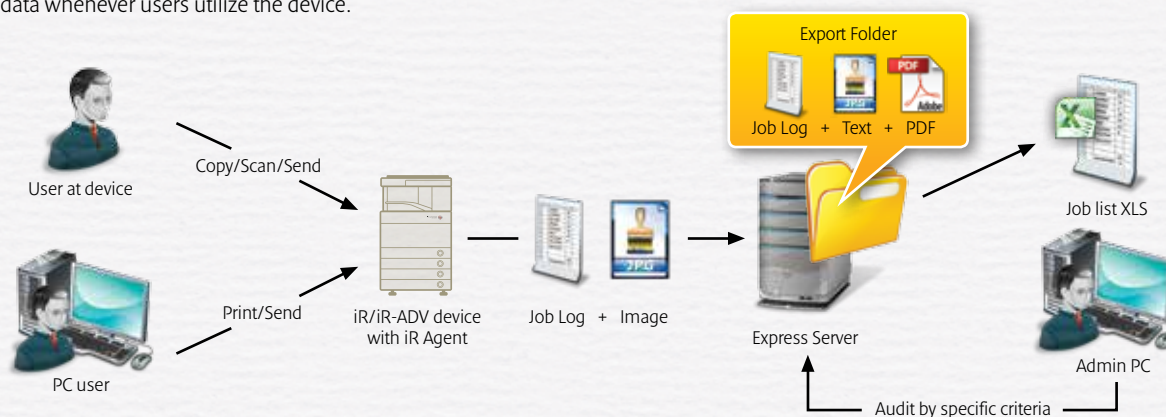

## THEREFORE

Therefore is a holistic document management system that offers an easy-to-implement storage and retrieval system to give every staff instant, secure access to all information.

## iW ACCOUNTING MANAGER FOR MEAP

Track your organization's print consumption through detailed and vital information of how your devices are actually used, all without the need for additional manpower or equipment.

**01** On-device imageRUNNER Agent captures log and image data

**02** Info is sent to Express server for OCR; image and text exported

**03** Express Audit Tools allows compilation and extraction of key info

# ADVANCED MANAGEMENT AND SECURITY

Monitor and manage your company's output with the imageRUNNER ADVANCE system.

## CENTRALIZED REMOTE CONTROL

The Remote User Interface lets IT managers and system administrators control, track, and manage each output device without having to travel to each and every machine for status checks.

## eMAINTENANCE

Take control of your Canon device fleet and reduce administration burdens with eMaintenance\*. With less downtime and easy maintenance, you will have longer uptime and greater productivity.

*\* Compatible with most Canon copiers, printers and multifunctional devices. For more information on what models are supported, please contact Canon.*

## ACCESS MANAGEMENT SYSTEM KIT

By utilizing the Access Management System Kit, administrators can restrict the functions that each individual, workgroup or department is allowed to use. Together with the contactless Card Authentication unit to identify the actual user, you will enjoy higher levels of security and reduced wastage from unauthorized prints.

# ADVANCED RESPONSIBILITY

Much of the above features are geared towards efficiency and waste reduction. At Canon, we believe in doing our part for the environment.

Here are some highlights:

## 100% RECYCLED PLASTIC & 100% RESPONSIBLE

Every imageRUNNER ADVANCE is built from 100% recycled plastics from past products. In addition, we subject ourselves to the most stringent standards, restricting the use of 24 hazardous substances (where EU RoHS directives restrict only six).

## ENERGY SAVER IN EVERY WAY

The imageRUNNER ADVANCE 6200 series features the self-lit Energy Saver hard key instead of the conventional Power hard key. This minimizes power consumption when the device goes to sleep mode.

## HIGHER EFFICIENCY MEANS LOWER EMISSIONS

By optimizing the document life cycle, we have lowered CO<sub>2</sub> emissions by more than 30% over previous models.

## CHANGING OUR BEHAVIOR TO CONSERVE OUR ENVIRONMENT

By encouraging digital workflows, we reduce unnecessary prints and reduce mistakes. Administrators can also help encourage use of duplex settings and control color usage easily.

## SCHEDULED TO SAVE

Administrators can opt to automatically shut down devices at a scheduled date and time. This reduces unnecessary wastage during after office hours and non-working days.

## GREEN ON THE INSIDE

pO toner feature lowers energy consumption via lower heat and power requirements. Our RAPID fusing technology saves 75% more power usage. Our list of green technologies goes on.

SPECIFICATIONS		imageRUNNER ADVANCE 6200 Series	
Type	Monochrome Laser Multifunctional (Reader/Printer Separated)		
Maximum Original Size	A3		
Copy Sizes	Left/Right Cassette 1, 2	A4, B5	
	Cassette 3, 4	A3, B4, A4, A4R, B5, B5R, A5R, and Custom Size (139.7mm x 182mm to 297mm x 487.7mm)	
	Multi Purpose Tray	A3, B4, A4, A4R, B5, B5R, A5R, and Custom Size /Free Size (100mm x 148mm to 297mm x 487.7mm)	
Resolution	Reading	600dpi x 600dpi	
	Copying	600dpi x 600dpi
